WRITE A LETTER TO YOURSELF

Write a letter that contains your prayers, hopes, goals, and your ambitions for 2026! Let the paper take any concerns you have and start the new year right!

We also encourage you to come up with "One Word" to define your 2026. The practice of choosing a single "one word" for different aspects of your life (faith, finances, general life) is a popular alternative to making New Year's resolutions. The word acts as a guiding principle and a filter for decisions and actions throughout the year.

Take an envelope and card, fill it out with anything, address it, and return it to the basket! We will mail them on December 29th, 2026 for you NEXT YEAR!

Please feel free to stop by the OSL Community Library and grab an envelope, grab a piece of paper, and address the envelope to yourself. This letter is for you in 2027 and we would love to have you!
