Pastor Michael Bible Study Starts NEXT Monday

A 3-Week Lenten Bible Study exploring Israel's complicated relationship with Egypt. Lent invites us to tell the truth about what is broken, and to notice where God is still at work blessing and protecting. In this Bible study, we will explore Egypt as a place of refuge in Scripture through the stories of Joseph in Genesis, and the Holy Family's flight into Egypt. Together we will reflect on

displacement, fear, obedience, and survival, and consider how God works quietly within broken circumstances. This is a discussion-based study, open to questions, and welcoming of all levels of biblical experience.

Bread Break at OSL on March 22nd

Please join us in welcoming Pam Cole, Executive Director of Bread Break who will speak between services on March 22 at 10am in the Friendship Room.

This event is sponsored by the Creation Care Team Ministry to discuss the important stewardship of our abundant food resources. Have you considered the amount of food that is wasted each day? The reality is that over one-third of the U.S. food supply is wasted across the food chain from farmers to manufacturers to consumers.

Recognizing the local need for collection and reallocation of unused food, Bread Break was established as a food recovery nonprofit that feeds the hungry, supports the Sioux Falls community, and reduces food waste. We will hear about this innovative volunteer program, how it has grown over the past decade, and its significant impact for Sioux Falls.
