Stephen Ministry

In 1975, pastor and clinical psychologist Dr. Kenneth Haugk trained nine laypeople as the first Stephen Ministers—congregation members who provide one-to-one emotional and spiritual support to those going through difficult times in life.

Since then, more than 600,000 people in churches worldwide have been trained as Stephen Ministers to care for hurting people in their congregations and communities. OSL has been a Stephen Ministry congregation since 1988 and has trained over 300 members to serve as Stephen Ministers. A Stephen Minister offers a listening ear, the ministry of presence, confidentiality, and a caring heart as they walk with you through whatever challenge you may be facing.

For 38 years, Stephen Ministers at OSL have followed the motto, “Christ caring for people through people.” They don’t tell you what to do, and they don’t judge. They simply stand beside you, listening and caring.

Don’t hesitate to reach out. To learn more and request a Stephen Minister, contact Pr. Tim
