[Stephen Ministry | Beginnings and Anniversaries](#)

It is Kick-Off weekend at OSL, when we celebrate the beginning of our fall activities. We also celebrate the 80th anniversary of the beginning of ministry at OSL. Since 1988, OSL has been training laypeople as Stephen Ministers—congregation members who provide one-to-one emotional and spiritual support to those going through difficult times in life. For almost

half its ministry life, OSL has offered Stephen Ministry, the ministry of listening. That is what Stephen Ministers do.

We all need help at times, and Stephen Ministers are there for those moments: to listen, really listen, confidentially and without judgement. If you are going through a tough time, you do not have to handle it alone. Give yourself the gift of a Stephen Minister. To learn more and request a Stephen Minister, contact Pr. Tim.
